**Notes to Editors**

**About Pires Investments**

Pires Investments plc (AIM: PIRI) is an investment company providing investors with access to a portfolio of next generation technology businesses with significant growth potential.

The Company is building an investment portfolio of high-tech businesses across areas such as Artificial Intelligence ("AI"), Internet of Things ("IoT"), Cyber Security, Machine Learning, Augmented Reality and Virtual Reality ("AR/VR") and Big Data, which the Board believes demonstrate evidence of traction and the potential for exponential growth, due to increasing global demand for development in these sectors.
